

AMBLE WEST CEMETERY **ADVANCE WARNING**

MEMORIAL STABILITY AUDIT

For reasons of safety, memorials in the Cemetery are routinely inspected and tested for stability.

Memorials in a dangerous condition may be laid flat on the grave, or fitted with a temporary support.

DO NOT TAMPER WITH MEMORIALS SO TREATED.

Owners are responsible for the cost of essential maintenance or remedial work which, due to its specialised nature, must be carried out by National Association of Memorial Masons' members.
