

You're invited to Singing for the Brain Live

While we can't go out, let's sing our hearts out

Join our national online singalong, bringing people affected by dementia together to have some fun.

We'll be live on Facebook on Thursday 30 April from 3-4 p.m. to sing some classic hits. Plus, we'll be joined by Alzheimer's Society Ambassador, Vicky McClure.

To find out more and join the event click here or visit our Facebook page.
