

***Carers have  
the right to...***

**be consulted on  
hospital discharge**

If you are a carer and the person you care for is being discharged from hospital, the hospital must identify and consult with you, where possible.

To find out more please contact our information team on **01670 320025** or visit [www.carersnorthumberland.org.uk](http://www.carersnorthumberland.org.uk)
