Dear Sir / Madam

Great British Spring Clean 2023

The County Council is supporting the Great British Spring Clean which runs from 17 March to 2 April 2023 and I am writing to let you know how you can get involved in your local area.

Many residents and community groups have already signed up as Litter Heroes with Keep Britain Tidy, and anyone else interested in pledging their support to pick up a bag can do so via the page on the [Keep Britain Tidy Website](#).

Neighbourhood Services are supporting events by arranging the loan of equipment including litter pickers, high visibility vests, gloves and bags and are also collecting the bags once they are full of litter.

If you would like to organise your own community litter pick and would like to loan some equipment or would like us to remove the bags of litter they collect, please contact Nicola Wardle or Samantha Wilkie by email.

Our Neighbourhood Services teams work incredibly hard to keep Northumberland clean and tidy and are very grateful to all the groups who support this work by doing their own litter picking. I would ask you to promote the Great British Spring Clean campaign in your local communities and encourage everyone to join in where they can.

Yours sincerely

Cllr John Riddle
Cabinet Member for Local Services
