Budget

We would like to know whether you are seeking funding for capital (i.e. equipment or materials) or revenue (running costs), or if you are seeking both. In 2025 Amble Town Council has £6,000 set aside for Grant Requests. Generally, Amble Town Council only grants capital funding, with revenue considered only under specific instances as set out in our Grants Policy. You are welcome to apply for one, or both, but please set out the specific line items in the budget sheets below. For guidance on what would be regarded as capital items, and what would be regarded as revenue items, please refer to the guidance note.
