PUBLIC QUESTION TIME: (maximum 15 minutes)

In line with Standing Order 3d-l members of the public may at the invitation of the Chairman ask questions, make representations, and provide information to the Council in respect of the business on the agenda or any other Town Council services.

Mr M Connolly spoke about the concerns raised at the public engagement event held on 26 January with Wynyard Homes regarding the new development on The Braid. Mr Connolly did not agree with their statements regarding the need for assisted living accommodation given the data presented in the recent Housing Needs Assessment. It is yet to be determined by the Local Planning Authority whether the amends to the planning application will be considered a s73 amendment or whether a new planning application will be required. There is growing concern among residents and members about this particular planning application and there is significant public interest. Subject to the outcome of item number 203.1, the Chair may be able to call a planning committee to discuss the Town Councils response as and when the application goes live on the planning portal.

Cllrs Hume and Davidson to be contacted.
